Take **FLASH** pictures
—they're easy, quick, sure!

Yes, you can take flash pictures with your Brownie Flash II Camera simply by attaching a Brownie Flashholder. Day or night, indoors or out, flash pictures can be yours simply by pressing a button. Your Kodak Dealer will gladly advise you.

Have your
best snapshots
made into
Kodak Enlargements

Only a quality Kodak Enlargement can reveal the rich detail and hidden beauty often lost in smaller snapshots. You'll enjoy your favourite snapshots even more as sparkling Kodak Enlargements. Leave your negatives now.

You, too, can take flash pictures anytime . . . anywhere . . . with a Kodak Flashholder on your camera. It fits most models—even simple box Brownie cameras. Your Kodak Dealer will gladly advise you.
